2019

In view of the health context linked to the spread of the coronavirus, the methods of organisation and evaluation of the learning units could be adapted in different situations; these possible new methods have been - or will be - communicated by the teachers to the students.

5 credits	30.0 h + 10.0 h	Q2

Teacher(s)	Gilson Nathalie ;
Language :	French
Place of the course	Mons
Prerequisites	*The prerequisite(s) for this Teaching Unit (Unité d'enseignement – UE) for the programmes/courses that offer this Teaching Unit are specified at the end of this sheet.*
Aims	*The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".*
Evaluation methods	**Due to the COVID-19 crisis, the information in this section is particularly likely to change.** Written exam (80% of the grade) et peer-reviewed paper (20% of the grade) As peer-reviewied papers require interactions among students, the grade got in June for this activity will be once and for all acquired for the ongoing academic year: no retake option will be organized for the peer-reviewed activity.
Content	This course is divided in two parts: ***(1) International trade*** a. Basic models of international economics b. Trade policy (objectives and instruments, international negotiation and WTO, pros and cons of worldwide trade liberalization, controversies in trade policies) ***(2) International monetary and financial relations*** a. International monetary regimes b. The case of the eurozone Some elements linked to international trade and development may also be presented, as well as some elements linked to wordwilde globalization.
