Four PhD positions on the attribution of extreme climate events

We are seeking four talented PhD candidates to join us in the effort to better constrain the probabilities of occurrence of past and future extreme events and to arrive at robust attribution statements that do not understate nor overstate the future risks society will face.

LIDAM TRAVELS

Always take a part of LIDAM with you!

Are you travelling somewhere outside Louvain-la-Neuve or abroad?

Send a picture of a LIDAM goodie
to lidam.com@uclouvain.be
and "let your colleagues travel with you!"

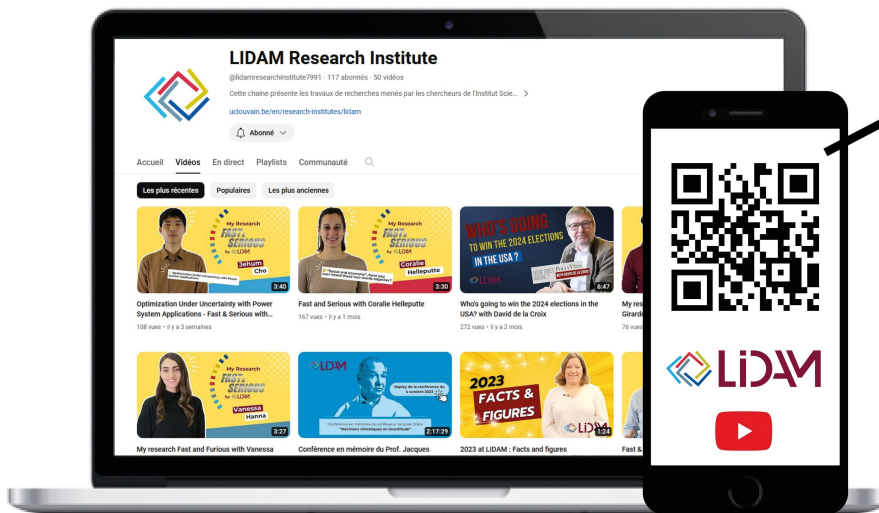

The photo will then be shown on our screens and internally.

[Pictures © Margaux Hubin - Mexico]
