

Faculty of Economic, Social and Political Sciences

IAG3001 Questions over the economic and managerial actuality

[30h] 4 credits

Teacher(s): Philippe Wilmes
Language: French
Level: Third cycle

Main themes

This seminar permits to tackle several topical questions over the economic and managerial actuality. Through talks realised by eminent specialists of each topic, students are invited to integrate all their multidisciplinary tools on building a personal approach.

Content and teaching methods

All over the academic year, conferences on topical points are organised for the students. Documentation and specific papers are distributed before each conference. Students also have to search and select other relevant information by themselves.

Other information (prerequisite, evaluation (assessment methods), course materials recommended readings, ...)

Evaluation: Groupfinal paper and written exam
 Pedagogic team: Neysen Nicolas, teaching assistant
