2. Members

Concerning Eastern European countries' memberships, the Steering Committee is going to study the application as members or observers of new members from Slovakia (Infostat), Slovenia (IMAD as a possible replacement for SKEP) and Czech Republic (VSEM which could replace the Centre of Conjunctural Studies and Forecasting (Praha) University of Management which might become an observer). The President will look through these Institutes : formal elections will take place at the Autumn Meeting in November 2013.

Estonia (Estonian Institute of Economic Research): the Steering Committee noted that the President has written to the Director of the Institute inviting it to apply for membership. Election will be held at the Autumn meeting

The Association is looking for a member for Portugal, if members have suggestions, they can send them to the Steering Committee.

4. Auditing Commissioner:

Alberto OLANO REY from the Ministerio de Economia Competitividad in Spain was elected by an absolute majority as replacement for Alain Henriot.

5. Miscellaneous

The President will make sure every Institute is able to pay their subscription and participate to annual meetings.

The Association decided that there shall be no modification in the size of subscriptions in response to the request of Kopint-Tarki from Budapest.

Marie-Hélène Chassagne
Administrative Secretary
