2. Accounts 2013, budgets 2014-2015

The accounts 2013 and budgets 2014-2015 are approved. Accounts and budgets are balanced thanks to the suppression of the translation during the spring meetings.

It is important to have some money in reserve in case the European Commission would not be able to welcome the autumn meeting anymore.

3. Steering Committee : proposal of a new President

- The Steering Committee proposes that Catherine Mathieu become the new AIECE President. Members of the AIECE agree with this proposal.
- With the election of Catherine Mathieu as new President of the Association, the Steering Committee needs to find a new member. Members of the Steering Committee are invited to think about a new member. An email with the proposal of the Steering Committee will be sent to the AIECE members at least one month before the spring Meeting 2015 and a new election will take place during this meeting.
- With the election of Catherine Mathieu as new President of the Association, a new President of the World Trade Group has to be found.

4. Working Groups

The Presidents of the Working Groups invite the members who would be interested to join them.

5. Auditing commissioners

A proposition of a new auditing commissioner will be sent to the AIECE members at least one month before the spring Meeting and an election will take place during this meeting.

Relations between the AIECE and International Institutions

Contacts have been taken with WTO and ECB:

- WTO agrees to participate in the WT Working Group and to become observer of the AIECE;
- ECB agrees to provide figures and a location for the WT Working Group.

Contacts will be taken with IMF and OECD.
