

3.0 credits

30.0 h

Teacher(s) :	De Valkeneer Christian-Paul ;
Language :	Français
Place of the course	Louvain-la-Neuve
Main themes :	The object of the seminar is, on the one hand, to make it possible to the students to analyze together the problems related to the course of their training course and, on the other hand, to bring theoretical tools of reflexion on this practice.
Aims :	<p>The aim of this seminar is to enable students to collectively monitor the traineeships that they are required to carry out, with a view to giving this period of practical training greater importance within the study programme. The seminar will both enable students to analyse together any problems they come across during their training period and also give them a theoretical framework within which to reflect on their practical experience.</p> <p><i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i></p>
Content :	<p>Didacting team organizes supporting seminars existing of two components : feedback and guidance with the education training and supervision in the scope of training experiences.</p> <p>The various sectors covered by the seminar of supervision of the training course are:</p> <ul style="list-style-type: none"> - police force and magistrature - assistance and the protection of youth - psychosocial interventions of the Adults - Criminal Sanctions' Execution Law <p>Evaluation on the spot : for the benefit of respect for the training providers and to give an idea of the integration and work attitude during the training and the quality of the assignment.</p>
