Teacher(s) :	
Language :	Français
Place of the course	Bruxelles
Prerequisites :	None.
Main themes :	Each year, the seminar focuses on one or many questions of current issues facing the European Union in close connection with the major. The teacher provides the basic notions to understand the outcomes of the debate and invites people involved in it to provide insights on how the institutions actually function and on how interest groups interact. The seminar acts for an active contribution from the students (readings, oral and written essays).
Aims :	This seminar should link the programme activities to the current issues facing the European Union in order to give the students a grip on ongoing debates at stake. <i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i>
