

2.0 credits	14.0 h + 16.0 h	1+2q
-------------	-----------------	------

Teacher(s) :	Frenay Mariane ;
Language :	Français
Place of the course	Louvain-la-Neuve
Main themes :	The seminar is the focus for a large part of the group work on the project. It introduces specific tools and methods designed to help students in this work.
Aims :	<p>The project provides an opportunity for students to narrow the themes and fields of their interest in psychology, the options they will go on to take (particularly for a Master's degree) and to form first impressions of the relevant professional field.</p> <p>The course is designed to provide specific skills in combining material and expertise they have already acquired, particularly those directly related to university-level studies: statement of a problem, critical search for information, conclusion, selection of approach, etc. both individually and in a group.</p> <p>It should help students to produce their final report.</p> <p><i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i></p>
