Teacher(s) :	
Language :	Français
Place of the course	Louvain-la-Neuve
Main themes :	To meet these objectives, the course is twofold: Module A - Heuristics (1 ECTS - 20 h common activities) - initiation to bibliographical research in theology, to the optimal use of UCL libraries, especially the Bibliothèque de théologie (BTEC) and the general services of the Bibliothèque des arts et des lettres (BFLT) to Internet and e-mail. Module B - Written work (10 ECTS) - preparation of a written paper (20 - 30 pages) on a topic in the fields of theology or religious sciences.
Aims :	By the end of this course the student should have demonstrated his/her capacity to undertake initial research in theology, under the supervision of an instructor. This notably includes the ability to: - deal with a topic in any one theological field, in a well informed and coherent way; - make proper use of the basic tools of the theologian (library, computer), respecting the criteria of scientific research; - write a short essay in a clear and well-structured manner. <i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i>
