<b>Teaching methods :</b>	Self-tuition: revision of the basic vocabulary and extension of the general vocabulary (ALTISSIA Platform ' A2 and B1 levels), extension of the general vocabulary ('Zelfstudie' course notes) as well as of the specific (field-relates) vocabulary. In both methods the vocabulary is presented in context. The specific Dutch structures are presented in context, after reading the text they are explained, exercised and consolidated by means of oral and written exercises. The course focuses mainly on the reading and listening skills. The students will be presented with different reading/listening techniques and strategies (anticipating, guessing, ' ) to help them read texts in a rapid and efficient way. These techniques are applied to authentic written or spoken texts bearing on general as well as field-related subjects. The specific vocabulary will be presented and consolidated by means of these field-related texts. Additional exercises will have to be done at home (Moodle platform and iCampus platform).
