Teacher(s) :	Reuchamps Min ;
Language :	Français
Place of the course	Louvain-la-Neuve
Prerequisites :	The course of Political science
Main themes :	The course starts with the definition of the state and then analyzes several socio-political models from a theoretical and conceptual perspective (the unitary, federal and confederal state, the liberal and neo-liberal state, the socialist and social-democrat state, the corporatist and neo-corporatist state) and ends with the study of the transformations and the challenges faced by the state.
Aims :	The objective of this course is threefold: theoretical (to understand the theoretical and philosophical foundations of the socio-political models of the state), conceptual (to identify and to explain the components of the socio-political models of the state) and empirical (to analyze contemporary states in their different socio-political models). <i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i>
