

2.0 credits

12.0 h

Teacher(s) :	
Language :	Français
Place of the course	Louvain-la-Neuve
Main themes :	There will be discussion about students' placements to encourage them to adopt a critical distance and an analytical approach; the links with theory will be developed. Students' individual projects for written assignments will be introduced, discussed and supervised.
Aims :	This seminar is designed (a) to support the placement and to optimize the links between the teaching and professional practice and (b) to support and supervise written assignments. <i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i>
Content :	The seminar will take the form of presentations, role plays and supervision based on students' experience. It also includes supervision of written assignments.
Other infos :	(Prerequisites, Assessment, Aids etc.)
