Teacher(s) :	
Language :	Français
Place of the course	Louvain-la-Neuve
Main themes :	The internship covers 650 hours of presence in a professional practice center approved by the faculty. It must make it possible for the trainee to integrate the knowledge acquired at university with practices (to which he/she will contribute actively), which will be analyzed with a critical hindsight characteristic of the academic approach.
Aims :	The internship is a training course tool. It makes it possible for the student to integrate knowledge acquired at university by confronting it with the professional practice of the psychologist, including research. But, this practice must be analyzed with the critical hindsight characteristic of in the academic approach. <i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i>
Content :	The internship is a training course tool.
