2015-2016

European common foreign, security and defence policy

5.0 credits	30.0 h	1q

Teacher(s) :	de Wilde d'Estmael Tanguy ;
Language :	Français
Place of the course	Louvain-la-Neuve
Prerequisites :	LEUSL2020 "Droit institutionnel de l'UE" ou LEUSL2022 "Institutional law of the EU" *The prerequisite(s) for this Teaching Unit (Unité d'enseignement – UE) for the programmes/courses that offer this Teaching Unit are specified at the end of this sheet.*
Main themes :	As an atypical competence within the European external action, CFSP will be analysed in its chronological dimension through its institutional and functional aspects under the consistency it induces and according to the type of diplomacy exposed in such cases. Case studies will show how the EU reacts to crises by mobilizing its civilian and military instruments. The course will analyse the European power deployed in such a case and will assess this phenomenon in regard of the main theories on European integration, Foreign policy and International Relations.
Aims :	After having explained CFSP in the different dimensions of the EU external action, the student will be able to expose its origins, to define its singularity, to delimit its scope of actions and to understand its particular working. The student will also be able to master CFDP particularities, being a part of CFSP, and will be fit to situate the Security-Defence dimension of European integration within the general framework of European security. Case study will aim to explain the EU capacities as an international political actor and to characterize CFSP regarding the classical model of Foreign policy. In the same prospect, CFSP and CFDP will be related to the main theories on European integration and the traditional paradigms of the International Relations studies. *The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".*
