2015-2016

Corrective and contrastive phonetics in French

5.0 credits	22.5 h	2q

Teacher(s) :	Lucchini Silvia ;
Language :	Français
Place of the course	Louvain-la-Neuve
Prerequisites :	C1 level in French (Common European Framework of Reference).
Main themes :	- phonetic and phonological systems of present day standard French; - main pronunciation problems of present day standard French; - phonetic and phonological systems of various languages (Spanish, Arabic, Italian, English, German, Vietnamese etc.); - difficulties experienced by non-Francophones in acquiring French; - hypotheses for solutions., using corrective methods.
Aims :	At the end of the course, the future teachers of French as a foreign language will be able to understand the phonetic and phonological difficulties experienced by non-Ffrancophones in acquiring the phonetic system of present- day sStandard French, and to suggest solutions for these difficulties. *The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".*
Evaluation methods :	Written examination (half of the final mark). Presentations given in class during the course (half of the final mark providing the written examination is satisfactory).
Teaching methods :	The course includes lectures and presentations prepared by the students.
Content :	This course is intended for future teachers of French as a foreign language. It is aimed at analysing the difficulties faced by non-Francophone students in acquiring the phonetic and phonologic system of the present day standard French. A first theoretical part will deal with the the phonological system of French and other languages from the point of view of acoustic and articulatory phonetics. Different corrective methods will also be introduced. In the next part, students are required to collect and analyse recordings of non-Francophone speakers from different countries. They will also devise a programme with the aim of finding a solution for the difficulties which have emerged.
Bibliography :	The reading list is available on the UCLine course website.
