Mémoire du master en sciences des religions (2ème partie)

22.0 credits	

Teacher(s) :	
Language :	Français
Place of the course	Louvain-la-Neuve
Main themes :	In order to achieve this end, the student will write, on the guidance of a teacher, a 100 pages' paper (max. 280 000 signs) conform to the presentation norms of a scholarly work. The topic has to be chosen in the field of one of the specific matters of religious sciences, or will consist in a interdisciplinary research. In this effort, he/she will be accompanied in a specific seminar (2 credits, see here below).
Aims :	At the end of this work, the student might have shown that he/she is able to develop a critical reflection about a precise topic in the field of the religious sciences. He has to start with a theoretical reflection and/or a empirical research, and to take into account the literature on his/her topic. *The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".*
