Teacher(s) :	Christians Louis-Léon ;
Language :	Français
Place of the course	Louvain-la-Neuve
Main themes :	In order to achieve this aim, the course will - consider all religions from the perspective of law, history, philosophy and theology - attempt a comparative study of the main European juridical systems - put forward a broader reflection on the relations between the legal State and religions from the point of view of each relevant system, in the field of both private ethical questions and public policies.
Aims :	At the end, the student shall be able to put into perspective the evolution of the modes of State regulation of religions in modern societies. <i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i>
Evaluation methods :	Work : A work writes of compared right/ compared politics is required and will be valued for 50 % of the final note. Examination : An oral examination of reflection, by drawing lots within a list of questions communicated before the session. The final note takes into account the participation of the student during the course, and the note obtained for the work. The evaluation takes into account the discipline of origin of the student.
Content :	The concrete topic of this course changes every year. Please refer to the French version for uptodate information.
