| Prerequisites    | /                |
| Aims             | Contribution of teaching unit to learning outcomes assigned to programme  
This unit contributes to the acquisition and development of the following learning outcomes, as assigned to the Master's degree in translation :  
2.8  
3.3, 3.4  
AA-FS-TA. Develop expertise and a high level of competence in the field of adapting audio-visual material into French, from two foreign languages, with a view to participating successfully in the professional multilingual audio-visual sector.  
Specific learning outcomes on completion of teaching unit  
On completing this unit the student is able to:  
· Manage the translation process strictly respecting deadlines, client instructions, and the specific international quality standards that apply to a particular medium  
· Work interactively with other team members  
· Supply a finished product.  
The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled “Programmes/courses offering this Teaching Unit”. |
| Evaluation methods: | Continuous formative and certificate assessment (subtitling + other tasks)  
September: subtitling assessment to handed out by the beginning of august + oral exam |
| Teaching methods: | Face-to-face teaching (in the computer lab)  
Individual work  
Team work |
| Content          | In this course students will have to manage/organize a subtitle project from German into French within a given/specified timeframe in the computer lab, from the order to the delivery of the final product, i.e. a subtitled document. They will use the program EZTitles©.  
The students will rely on the competences they acquired in the course and respect the norms described in the style guide and the quality norms specific to subtitles. They will work individually and with other group/team members. |
