Thèmes abordés	The course Sustainable HRM and Leadership focuses on human resource functions in large companies in a globalized world from a sustainability perspective. The approach focuses two roles of Sustainable HRM. First, the role of HRM in making work systems sustainable with the objective on ensuring human sustainability at the workplace and in global supply chains. Second, the role of HRM and leadership in contributing to corporate sustainability and to an overall societal sustainable development. A Sustainable HRM and leadership framework is proposed and HRM strategies and practices of the key areas of HRM are discussed. This course is based on research and insights from diverse fields, including Strategic HRM, Sustainable HRM, Green HRM, organization theory, organizational behavior, Corporate Sustainability, Corporate Social Responsibility, and Global Responsible Leadership.
Acquis d'apprentissage	<p>The course is designed to develop competent and responsible practitioners. It provides students who do not necessarily intend to work in an HR function, with a deep understanding about the importance of people management as a task for all managers and about the complexity of sustainable people management and leadership.</p> <p><b>At the end of the course, students should be able to:</b></p> <ol style="list-style-type: none"> <li>1 Understand sustainable and unsustainable HRM strategies and practices and their impacts and tensions on employees and other resource holders and stakeholders within a paradox framework.</li> <li>2 Understand how Sustainable HRM adds value and extends strategic HRM and adopt a critical point of view on the literature, on the one hand, and on managerial decisions, on the other.</li> <li>3 Gain a deep understanding of the nature of Sustainable HRM, the theoretical concepts and frameworks used and acquire the knowledge and skills to understand and implement Sustainable HRM strategies and practices.</li> <li>4 Develop competence to measure, analyse and discuss how to increase the sustainable and decrease the unsustainable aspects of HRM practices and how to address potential tensions and paradoxes.</li> </ol> <p>-----</p> <p><i>La contribution de cette UE au développement et à la maîtrise des compétences et acquis du (des) programme(s) est accessible à la fin de cette fiche, dans la partie « Programmes/formations proposant cette unité d'enseignement (UE) ».</i></p>
Modes d'évaluation des acquis des étudiants	<ul style="list-style-type: none"> <li>• Group research or video project and presentation</li> <li>• Peer Review</li> <li>• Individual participation and preparation of every session</li> <li>• Individual reflection paper or exam</li> </ul>
Méthodes d'enseignement	<ul style="list-style-type: none"> <li>• Interactive courses with lecture input and critical discussions based on personal readings and cases</li> <li>• Peer Review</li> <li>• Individual and group exercises</li> </ul>
