<p>Teaching methods</p>	<ul style="list-style-type: none"> • This teaching unit is structured around themes, each of which includes receptive and productive activities aimed at consolidating and broadening vocabulary and grammar. This teaching unit focuses mainly on oral production about themes related to the area of study. Video and audio fragments are used to illustrate the themes. Each theme will be followed by discussions or role plays giving the student the possibility to use the newly acquired vocabulary and structures. Particular emphasis on grammar points, likely to cause difficulties to French-speaking learners. • Self tuition: vocabulary exercises and texts Moodle (platform e-learning ILV).
