Evaluation methods	Continuous formative and certificate assessment (subtitling + other tasks) September: subtitling assessment to handed out by the beginning of august + oral exam
Teaching methods	Face-to-face teaching (in the computer lab) Individual work Team work
Content	In this course students will have to manage/organize a subtitle project from German into French within a given/ specified timeframe in the computer lab, from the order to the delivery of the final product, i.e. a subtitled document. They will use the program EZTitles®. The students will rely on the competences they acquired in the course and respect the norms described in the style guide and the quality norms specific to subtitles. They will work individually and with other group/team members.
