Evaluation methods	Continuous assessment of the student's work for certification. In September: assessment in the form of a written paper and oral exam.
Teaching methods	Face-to-face teaching (computer lab).
Content	The Specialised Translation Seminar in International Affairs will focus on the management, in class and within a specified timeframe, of a translation project from Spanish into English pertaining to the domain of international affairs. With the lecturer's guidance, the student will manage the different stages of the translation process from the translation request to delivery. The source text(s) in the field of international affairs will be translated with the assistance, where appropriate, of computer-assisted translation (CAT) tools (SDL Studio®, MultiTrans® and/or Sketch Engine®).
