Teacher(s)	Clément de Cléty Stéphan ;Lefebvre Chantal ;
Language :	French
Place of the course	Bruxelles Woluwe
Prerequisites	<i>The prerequisite(s) for this Teaching Unit (Unité d'enseignement – UE) for the programmes/courses that offer this Teaching Unit are specified at the end of this sheet.</i>
Aims	<i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i>
Evaluation methods	Written examination based on 10 practical cases as could be seen in pharmacy
Teaching methods	Lecturing based on clinical cases
Content	The course involves 20 hours devoted to complaints expressed by or in name of adults and 10 hours on complaints of children. Patients can be present or not at the local pharmacy. Pharmacist must be able to ask the appropriate questions, to objectivize in some cases clinical signs and then determine the best attitude to adopt. All complaints cannot be broached but teaching should allow every pharmacist to assess the potential severity of any case he is confronted with.
Other infos	Support: syllabus; slides (PowerPoint) during courses and available on iCampus (pictures of patients will then be withdrawn).
Faculty or entity in charge	FARM
