Q2

Langue d'enseignement	Anglais
Lieu du cours	Louvain-la-Neuve
Thèmes abordés	A few topics (around three), in continuation of the macroeconomic courses, will be selected at the beginning of the course. The first lectures will consist in ex-catedra expositions by the professor(s) to introduce to the topics, with the associated advanced literature, key issues and open questions and recommended readings. These lectures will be followed by students' seminars. These seminars will consist of reading reports of one or two related seminal contributions, plus a discussion and eventually an extension proposal.
