Q1

Teacher(s)	Thiebaut Christophe ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	The course contains notions of public law (first part) and private law (second part). The first part is about : - territory development and town-planning right : territory plans, town planning rules, agreement, sanctions and execution of plans (expropriation); - environment : agreement; - public contracts : the successive steps of contracting of a public contract are reviewed in a chronological order : selection of the way to contract a public agreement; documents of the contract; publicity; depositing of the tender; qualitative selection of the tenders; regularity of tendering; selection of the successful tenderer; conclusion of the agreement; general duty of information and motivation; execution. The second part contains two sections : the first is about the housing property and about the secondary rights of this; the second concerns the legal relations issued from the realization of a built project : acces to business, relations between the master builder and the architect, relation between the master builder and the building contractor.
Aims	<i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i>
Content	/
Other infos	The course is based on a syllabus, a book of legal texts, a compilation of documentation and visuals supports. The student must be in possession of the legal texts during the course.
Faculty or entity in charge	LOCI
