Teacher(s)	Garcia Sandrine ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	The themes are various and defined according to the expertise of the teachers invited. The selection is based on the criteria of complementarity with the teaching already offered in the different programs concerned and expected contribution of international experts.
Aims	<p>1 During each academic year, the Jacques Leclercq Chair invites four internationally recognised teachers or researchers to give a lecture of 15h each on their field of expertise. The students thus benefit from specific teaching provided by recognised experts. It gives them the possibility of discovering new scientific horizons and, subsequently enlarge and deepen their knowledge and skills.</p> <p>-----</p> <p><i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i></p>
