

In view of the health context linked to the spread of the coronavirus, the methods of organisation and evaluation of the learning units could be adapted in different situations; these possible new methods have been - or will be - communicated by the teachers to the students.

5 credits	30.0 h	Q2
-----------	--------	----

Teacher(s)	Cassiers Vincent ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	Practical and procedural context of intellectual property contracts. - Impact of European law (free movement of goods: the exhaustion of right; restrictive trade practices law). - Negotiation and practical aspects shared by most contracts regarding intellectual property. - Main contracts regarding intellectual property : research and development in the context of cooperation between companies or 'standard' sub-contracting arrangements, assignment of rights, licensing, contracts relating to copyright and related rights, information technology contracts (in the broad sense). - Importance of the overall economics of the contract and the practical scope of some clauses. - International aspects of these contracts and impact of other legal disciplines.
Aims	<p>1 Practical and procedural context of intellectual property contracts. - Impact of European law (free movement of goods: the exhaustion of right; restrictive trade practices law). - Negotiation and practical aspects shared by most contracts regarding intellectual property. - Main contracts regarding intellectual property : research and development in the context of cooperation between companies or 'standard' sub-contracting arrangements, assignment of rights, licensing, contracts relating to copyright and related rights, information technology contracts (in the broad sense). - Importance of the overall economics of the contract and the practical scope of some clauses. - International aspects of these contracts and impact of other legal disciplines.</p> <p>-----</p> <p><i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i></p>
