Teacher(s)	Meunier Fanny (coordinator) ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	<p>The activity validates the active participation in pre-service classroom teaching practice. Validation can be obtained if and only if, at the end of the second year of their masters' studies in didactics, the teaching practice reports and assessment sheets provided by the in-service teacher tutors clearly indicate that the student :</p> <ul style="list-style-type: none"> - has compared his/her performance at different times and gained critical distance with regard to his/her own perceptions of live teaching ; - has analysed the pedagogical methods of other students ; - has implemented theoretical ideas and models developed in the framework of other principles of good teaching practice ; - has, if need be, used remedial measures offered to him/her.
Aims	<p>This student-led reflexive activity is directly related to the classroom teaching practice of the GERM2222B course: Théories et analyses des pratiques en didactique des langues germaniques (0h+50h). The credits of this activity can only be validated for students in MASTER GERM 120 (finalité didactique) who have the opportunity to spread their teaching practice over the two years of their master studies.</p> <p>-----</p> <p><i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i></p>
Evaluation methods	<p>Due to the COVID-19 crisis, the information in this section is particularly likely to change.</p> <p>Submission of a reflective written report (post classroom teacher training). Detailed information on the report will be regularly updated on the Moodle website devoted to the teacher training sessions in Germanic languages (stages GERM)</p>
