Evaluation methods	<p><b>Due to the COVID-19 crisis, the information in this section is particularly likely to change.</b>                  Written exam (content of the first term) in december (4-6 december 2018) plus written and oral exam during the 3rd week of mai (pre-session). The student can also take the whole examen (written+oral) during one of the next sessions. The oral exam may take place in the language lab.</p>
Teaching methods	<p><b>Due to the COVID-19 crisis, the information in this section is particularly likely to change.</b>                  The method gets its inspiration from the notional/functional approach and is mainly centered on developing communicative oral skills, not disregarding some simple forms of written skills.                  Some examples of activities in the class: exercises to enhance pronunciation and spelling, drills, simple conversation in pairs or small groups, listening comprehension (by means of audio/video material), writing simple texts, listening to songs etc.</p>
Content	acquisition of phonetics and spelling rules of the Italian language. Development of elementary communicative competences through the acquisition of basic language notions/functions and vocabulary. Focus on cultural aspects.
Bibliography	<p>En classe on utilise une méthode conseillée par le professeur + syllabus complémentaire (à télécharger sur Moodle UCL).                  Sites des verbes italiens, dictionnaire et exercices supplémentaires en ligne, conseillés par le professeur</p>
