

In view of the health context linked to the spread of the coronavirus, the methods of organisation and evaluation of the learning units could be adapted in different situations; these possible new methods have been - or will be - communicated by the teachers to the students.

5 credits	40.0 h	Q1 and Q2
-----------	--------	-----------

Teacher(s)	Meurant Alain (coordinator) ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	To adopt a critical stance towards the quality, organization and the connection with the preparation made during the active practice sessions (40 hours) with a view to improving them.
Aims	<p>1 By the end of the practice periods, students will have demonstrated their ability to analyze their own teaching methods and adjust them.</p> <p>-----</p> <p><i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i></p>
Evaluation methods	<p>Due to the COVID-19 crisis, the information in this section is particularly likely to change.</p> <p>Assessment of what students have achieved during the practice period is done by the supervisors using the criteria in the marking grid for observation sessions. Exemption from part of the teaching practice may be granted to students who are already teaching.</p>
Content	Having made contact with their supervisors, students must draw up the time scale in which they will submit their preparation work and discuss any necessary amendments. Supervisors retain the right to teach the lesson themselves should they judge the preparation to be insufficient.
Other infos	A manual is available to students.
