

In view of the health context linked to the spread of the coronavirus, the methods of organisation and evaluation of the learning units could be adapted in different situations; these possible new methods have been - or will be - communicated by the teachers to the students.

5 credits

Q1 and Q2

Language :	French
Place of the course	Louvain-la-Neuve
Main themes	This seminar is part of the scientific supervision provided by the dissertation supervisor and is aimed at ensuring student autonomy in the writing of their dissertation. It allows students to assess their progress in their research and enables the supervisor to offer feedback and advice.
Aims	<ul style="list-style-type: none"> • Define a relevant research project in the framework of the Master's dissertation. • Master the chief methods of collecting and treating data. • Fittingly use epistemological, methodological and editorial propositions in the framework of the Master's dissertation. • The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this document, in the section entitled 'Programmes/courses offering this Teaching Unit'. <p>-----</p> <p><i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i></p>
Evaluation methods	Due to the COVID-19 crisis, the information in this section is particularly likely to change. Students should contact their supervisors. The differences between disciplines and topics taught in LMOD imply that evaluation methods have to be adapted according to the chosen dissertation topic. Evaluation may consist in the participation to a poster day, the draft of a first chapter, the elaboration of a corpus and a reasoned bibliography, etc.
Teaching methods	Due to the COVID-19 crisis, the information in this section is particularly likely to change. Students should contact their supervisors. The differences between the disciplines and topics taught in LMOD imply that the teaching methods depend on the topic of the dissertation. The supervisors may organize traditional seminars or offer one-on-one encounters with the students.
Content	Introduction to specific methodologies according to the chosen discipline.
Other infos	Students should look into and carefully examine previous dissertations. The chosen supervisor will guide the student.
Faculty or entity in charge	LMOD
