Teaching methods	Due to the COVID-19 crisis, the information in this section is particularly likely to change. Mixed approach consisting of presentations by the lecturers and/or invited researchers and the preparation of a written assignment on a specific research topic in linguistics. A first part of the seminar (approximately 10h) will be provided in English. It will consist of a presentation of the theme of the seminar and the different methodologies that can be used to study a specific linguistic phenomenon. In the remaining hours, provided in the language of specialty (French, English, Dutch, German, Spanish, Italian), the students will develop a research project (with oral presentation and written research report), which will be accompanied by one or more teachers of the language and / or area of specialty.
Content	The content will be updated every two years according to the ongoing research projects in linguistics in the team of lecturers.
