

In view of the health context linked to the spread of the coronavirus, the methods of organisation and evaluation of the learning units could be adapted in different situations; these possible new methods have been - or will be - communicated by the teachers to the students.

5 credits	30.0 h + 6.0 h	Q1
-----------	----------------	----

Teacher(s)	Husson Jean-François ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	The course of finances and public institutions aims at providing economic and institutional tools intended to apprehend the finances of the local, regional and Community authorities and the policies followed on the matter. This course will develop the principles, notions and budgetary techniques of the various levels of authorities. It will present the history and the work of the institutions and will attempt to analyze their mode of financing. It will finally take care to give the instruments making it possible to pose an evaluation on the basis of criterion of distributive justice, efficiency and political control.
Aims	<p>1 At the end of this course, the students will be able to understand, analyze and evaluate the institutions and the mechanisms and decisions as regards public finances (receipts and expenditures) at the local level (Commune and CPAS), regional (Walloon Region and of Brussels-Capital) and Community (the French and German-speaking Community).</p> <p>-----</p> <p><i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i></p>
