Content	The teacher will present the general principles of fundamental ethics and the links of which with christian faith. Through different concepts, among wich liberty, conscience and the human person, the teacher will tackle critically reflections on ethic decisions which a human being has to face today. In a pluralistic world of which we are an integral part, taking an ethic decision implies open-mindedness to different religious, cultural and social points of view in order to avoid the pitfall of a moralizing and unilateral position.
Bibliography	Une bibliographie extensive sera mise à disposition des étudiants sur la plateforme moodle. Ce travail se fait en collaboration avec la responsable de la bibliothèque de théologie madame Bricoult.
