This biannual learning unit is not being organized in 2019-2020 !

Teacher(s)	Join-Lambert Arnaud ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	These objectives will be achieved after - an analysis of a specific question in one of the main fields of the pastoral studies ; - a presentation of the interdisciplinary dimension with some human sciences ; - an initiation into the use of the main tools ; - a presentation of different methods in pastoral theology.
Aims	1 appreciate the importance of human sciences to understand the current world ; ---- 2 use the main tools in the field ; ---- 3 achieve a critical correlation between human experiences and theological thought. ---- <i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i>
Evaluation methods	Due to the COVID-19 crisis, the information in this section is particularly likely to change. Wished active participation. The formal evaluation will be made according to several modalities. You will choose between an empirical search and an analysis of sources given by the professor, in writing and presented then during an oral.
Content	The concrete topic of this course changes every year. Please refer to the French version for uptodate information
