

Due to the COVID-19 crisis, the information below is subject to change, in particular that concerning the teaching mode (presential, distance or in a comodal or hybrid format).

5 credits	30.0 h	Q2
-----------	--------	----

This biannual learning is being organized in 2020-2021

Teacher(s)	Botbol Mylene ;Pence Charles ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	The first part of the course describes the main lines of the philosophical and biomedical context of contemporary biomedical ethics. Basic theories and concepts are analyzed. From that point various practical questions are studied, coming from various areas of biomedical practice : conception, end of life issues, health care policy, etc.
Aims	<p>At the end of the course the student should be able :</p> <ul style="list-style-type: none"> - to identify and discuss theories and concepts that are part of various current approaches in biomedical ethics 1 - to analyse in depth a particular problem in biomedical ethics - to appreciate the interdisciplinary aspects of this area - to link the givens of problems in this area with developments in contemporary scientific research <p>----</p> <p><i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i></p>
Content	Starting from clinical and bioethical, classical and emerging fields, we are looking for (implicit or explicit) philosophical roots of evaluation (public opinion, public policy, professionals, etc.). A special attention will be devoted to an emerging question - the metabioethics.
Bibliography	<p>Bibliographie de référence :</p> <p>Mylene botbol Baum et Henri Atlan "Des embryons et des hommes" aux éditions PUF Charles Pence</p> <p>Des documents complémentaires aux leçons seront déposés sur Moodle . et seront mis en lien avec le centre de bioéthique Helesi et le Charles Pence Lab</p>
Faculty or entity in charge	EFIL
