Teaching methods	**Due to the COVID-19 crisis, the information in this section is particularly likely to change.** The course alternates: 1° lectures devoted to grammar and the philological study of the texts; 2° reading and analysis of texts prepared by the students.
Content	As a representative of Old Iranian, Old Persian is attested by epigraphical texts in cuneiform script, dating from the 6th to the 4th century B.C. The lectures examine the different chapters of the descriptive grammar and offer an insight into historical grammar. The course is completed by the reading of inscriptional texts.
