|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Teacher(s) | Riaudel Olivier ; |
| Language : | French |
| Place of the course | Louvain-la-Neuve |
| Main themes | The course covers the following: - the theological notion of Creation and the problem of the relation between body and soul, - the questions of original justice and original sin, - a theological reflection on grace and justification, taking into account the divergences between Augustine and Pelagianism, between the Councils of Trent and Luther, and, taking into consideration contemporary reflection on these problems, the question of everlasting life. |
| Aims | - reflect theologially on the question of Creation, original sin and grace, death and everlasting life, taking into account the evolution of Christian theology on these themes, and the main orientation of contemporary theology. 1 ----- <i>The contribution of this Teaching Unit to the development and command of the skills and learning outcomes of the programme(s) can be accessed at the end of this sheet, in the section entitled "Programmes/courses offering this Teaching Unit".</i> |
| Content | These lessons study the theme of the Creation, the probleme of the union of body and soul, the doctrines of original sin and grace. |
