Préalables	1 basic marketing course
Thèmes abordés	<p>This course will tackle the new challenges that marketers have to meet in the new and changing digital landscape. This new digital landscape has a major impact on the way firms have to deploy their marketing strategies and structure their organization. The needs of consumers have changed and it is more difficult to satisfy them than before. Moreover, firms cannot communicate to consumers in a traditional way, they have to converse with them. They have to be in contact with the consumer wherever he is, on whatever support he uses and at any moment of the day.</p> <p><b>The objectives of the course are to:</b></p> <ul style="list-style-type: none"> <li>• Review the latest changes affecting the marketing strategy (situation analysis, segmentation and positioning)</li> <li>• Understand how the marketing organization has to be adapted to take into account the new digital environment</li> <li>• Review how to manage brands in this new environment taking into account traditional and digital marketing tools.</li> </ul>
Acquis d'apprentissage	
Modes d'évaluation des acquis des étudiants	<ul style="list-style-type: none"> <li>• <b>First session:</b> The course will be evaluated based on a team project (30%) and on an individual exam (70%).</li> <li>• If the teamwork assignment is not delivered, students will not have completed the requirements of the course and will be given an "Absent" for the first session.                             <ul style="list-style-type: none"> <li>• The <b>exam</b> will be organized on week 8</li> <li>• The <b>teamwork assignment</b> will be presented orally during week 7</li> </ul> </li> <li>• Malus points will be attributed (up to 3 points) if the individual work is not done on time, poorly done or due to the absence to the conferences.</li> <li>• <b>Second session: same as the first session.</b> The teamwork grade will be kept the same as for the first session (no possibility to re-do the teamwork assignment). The course will still be evaluated the same way, based on the team project (30%) and on the individual exam (70%) and the malus points will continue to be integrated in the final mark.</li> </ul>
