

3.00 credits

Q2

Language :	French
Place of the course	Louvain-la-Neuve
Main themes	The report is a research of facts and ideas relating to the domain of Information and Communication. The report presents the results of a personal work. The concrete modalities of realization can vary according to the chosen approaches (analysis of corpus, interview, collection, production and interpretation of data, audiovisual realization, computer support), as far as it is in agreement and under the supervision of the supervising professor.
