30.0 h

Q2

Teacher(s)	Lamine Auriane ;Neven Jean-François ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	The content of the course, concerning Belgian, European or comparative social security law may vary, from one year to another considering in particular the topicality of certain questions. It may notably be the study of certain particular questions related to the social security (f.i. the notions of remuneration used for the calculation of the social security contributions), current topics (f.i. the active welfare state or the evolution of the social security in a federal state), or the systematic study of a particular social security sector that has not been addressed in the course of social security law (f.i. the unemployment allowances).
