| Teacher(s)          | Lurson Benoît ;Tavernier Jan ;                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Language :          | French                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Place of the course | Louvain-la-Neuve                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Prerequisites       | It is advisable that the student has followed the course LGLOR1512, and that he possesses an elementary knowledge of Akkadian, Hittite and/or Egyptian.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| Main themes         | In-depth study of the Ancient Near East and of pharaonic Egypt.<br>Alternating with LGLOR2511, this course deals with the following themes, on the base of textual, archaeological and iconographical sources:<br>1. Themes relating to the religion of the Ancient Near East (gods and cults);<br>2. Themes relating to the literature of ancient Egypt.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Learning outcomes   | <b>At the end of this learning unit, the student is able to :</b><br><br>1 At the end of this course, the student will be familiar with a rigorous scientific approach to specific questions on the cultural history of these civilisations (literature and religion).                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Evaluation methods  | An oral exam, on the basis of written preparation. The student will be questioned by both teachers. The mark for the part "Ancient Near East" and the mark for the part "Egypt" are each 50% of the final mark.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Teaching methods    | 1. Religion of the Ancient Near East (Jan Tavernier):<br>The course will be given using abundantly illustrated ppt including maps, texts and pictures.<br>2. Literature of Ancient Egypt (Benoît Lurson):<br>An introduction to the literary genres of Ancient Egypt is given. It is completed by a study of examples of some of the genres, aimed at highlighting their formal characteristics. The students will actively participate by preparing translations or reviews.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| Content             | This course consists of two successive parts.<br>1. Religion of the Ancient Near East (Jan Tavernier):<br>- discussion of the beliefs developed in the following regions: Mesopotamia, Elam, Iran and Anatolia.<br>2. Literature of Ancient Egypt (Benoît Lurson):<br>- corpus and theoretical approach.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Inline resources    | The following are available on the Moodle server :<br>- the textual material and the power points of themes relating to the Ancient Near East; the necessary material relatig to Egypt.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
