Q1

This biannual learning is being organized in 2021-2022

Teacher(s)	Lesch Walter ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	In order to reach these goals, the course offers an analysis of a specific question, one time in the political field and the next time in the economical field. Important current files will be objects of research that need to use the tools of current ethics in connection with philosophy and social sciences The course will show some specificities of a Christian look aware of the plurality of approach.
Learning outcomes	At the end of this learning unit, the student is able to : 1 clarify fundamental categories for ethical thought in the context of important questions about society 2 relate the contributions of Christian traditions to public debates on social bound 3 analyse the issues about the social involvements of Christians in dialogue with other convictions.
Evaluation methods	The elements of evaluation are the regular and active participation, the writing of a short essay (maximum 5 pages on a subject that can be chosen among the topics of the course) and an oral exam.
Teaching methods	There will be lectures and also important interactive moments based on texts that have to be read by all participants.
Bibliography	Un choix des textes sera disponible sur Moodle.
Faculty or entity in charge	TEBI
