Prerequisites	<i>The prerequisite(s) for this Teaching Unit (Unité d'enseignement – UE) for the programmes/courses that offer this Teaching Unit are specified at the end of this sheet.</i>
Learning outcomes	
Evaluation methods	<p>2 out of 20 points: attendance at class. If the student accumulates more than two absences, an individual written work is requested to obtain the 2 points.</p> <p>18 points out of 20: Written examination in session and written group work, supervised by an assistant. The different parts (presence, written exam, group work) are obligatory.</p> <p>Second session: written examination in session. The rating of the group work is retained if it is equal to or greater than half; otherwise, the student will have to submit an individual written work to be fixed with the assistant. The attendance score is retained if it is equal or more than 1 points; otherwise, individual work will be requested.</p>
Teaching methods	Lectures; examples; exercises; practical work supervised by an assistant.
Content	The course takes up the great theories of the sign and the production of meaning (Saussure, Peirce, µ Group, Greimas) by focusing them in perspectives of concrete analysis and focusing particularly on the question of the semiotic functioning of iconic and iconic-verbal productions (advertising, comics, organization communication).
Inline resources	Textes and supports will be available on Student corner during the course.
Bibliography	Introduction aux théories de la communication, Jean-Pierre Meunier, Daniel Peraya, Deboeck, 3e édition, 2010. Introduction à l'analyse de l'image, Martine Joly, Colin, 3ème édition, 2015. Signe et communication, Philippe Verhaegen, Deboeck, 2010.
