Teaching methods	<p><u>Class organisation</u></p> <p>Students have 2 hours of class a week throughout the academic year.</p> <p>All students have the opportunity to be exempted from class attendance and certain continuous assessment activities (see Assessment section below). To be exempted, students need to contact the course coordinators to request an oral interview (details and instructions will be provided in due course).</p> <p><u>Methodology</u></p> <p>Class time is used for activities to work on students' language skills. Students are expected to prepare for class, complete all assignments and participate actively in all activities.</p>
Content	<p>The course covers the four academic language skills: reading, writing, listening and speaking as well as presentation techniques, vocabulary and grammar extension.</p>
