

5.00 credits

15.0 h + 15.0 h

Q2

Teacher(s)	Vanrie Pierre ;
Language :	French
Place of the course	Louvain-la-Neuve
Learning outcomes	
Evaluation methods	June session: evaluation through a written exam at the end of the teaching unit. August-September session: written exam on the topics dealt with in the course. The use of machine translation is strictly forbidden.
Teaching methods	Personal tutorial work, face-to-face
Content	- Translation of texts addressing theoretical approaches to international relations, focusing on related vocabulary as well as names and acronyms of international institutions. The texts to be translated will give a general description of specific geopolitical situations, leading to discussions on the diplomatic and geopolitical situation of a given country, including but not limited to Turkey. The course will try to address various aspects of geopolitical analysis (political, socioeconomic and diplomatic dimensions).
