Q2

Teacher(s)	Léonard Thierry ;Puyraimond Jean-Ferdinand ;
Language :	French
Place of the course	Bruxelles Saint-Louis
Prerequisites	<i>The prerequisite(s) for this Teaching Unit (Unité d'enseignement – UE) for the programmes/courses that offer this Teaching Unit are specified at the end of this sheet.</i>
Learning outcomes	At the end of this learning unit, the student is able to : This course provides the students with a general training in commercial law. The mastery of the concepts, their application to concrete situations and the development of a discerning mind are the main objectives.
Evaluation methods	The final assessment is a written examination and will include knowledge questions as well as thinking questions and if necessary, the resolving of a concrete case or a commentary of case law. The students will only be assessed on the subject matter that has been addressed during the lecture. It is possible that certain documents handed out by the professor during the sessions can be used as material for examination. During the entire examination, the students may have at their disposal their Code (code of Economic law, code of Company Law, Code of Civil Law...) as well as other legal texts and complete case law with the exception of any doctrinal commentary. However, the authorised documents may not contain any notes or cross references other than a reference to a law or a jurisprudential decision. Highlighting, underlining and post-its (if they do not include any unauthorised notes as mentioned here above) are also authorised.
Teaching methods	The lecture is completed by tutorials taught in small groups and supervised by the probationary lecturer. The teaching staff pays special attention to creating a synergy between lectures and tutorials.
Content	The course is divided into five parts following the structure of the Manuel : Book I. General theory of business law Title 1. General points Title 2 The recipients of business law Book II : Introduction in Company Law Title 1 : Principles and concepts Book III. The payment and financing of the company Title 1 : Invoice and payment Book V. Introduction in European Competition Law Book VI. Market practices and consumer protection
Bibliography	Des orientations bibliographiques sont précisées dans le Manuel du droit de l'entreprise (Anthemis, 2019) qui constitue le support de cours.
Other infos	The Manuel du droit de l'entreprise (Anthemis, 2019) is the written support for the course. It completes and exemplifies the lecture course but is not the subject of specific questioning on the points covered. The teacher will specify his requirements in this regard during the lecture. The Manual is available with a preferential price at the reprography service.
Faculty or entity in charge	DRTB
