**This learning unit is not open to incoming exchange students!**

Teacher(s)	Conrad Yves ;
Language :	French
Place of the course	Bruxelles Saint-Louis
Learning outcomes	<p><b>At the end of this learning unit, the student is able to :</b></p> <p>In the term of this introductory course, the student will have been made sensitive to the main sources of European information and documentation. Besides certain theoretical elements bound to the various documentary sources (type, access, contents), the student will have acquired above all a practical and methodological knowledge connected to the modalities of search and interrogation of the main knowledge bases on the accessible European materials. He will have also developed a critical mind allowing him to use in a most relevant possible way the result of his searches.</p>
Evaluation methods	Assessment takes place in the form of research sessions in the computer room as well as practical exercises and assignments.
Teaching methods	<p>The course includes:</p> <ul style="list-style-type: none"> <li>- oral presentation of the sources/sites;</li> <li>- more detailed online guide with a list of the sites and the methodological explanations;</li> <li>- practical exercises allowing the student to discover the sources and the possible problems involved in their use.</li> </ul>
Content	The course concerns the documentary sources produced by or relating to the European Union and to the activities of this one as well as to the sources allowing a better knowledge of the European society in general. After a general reminder, theoretical and methodological, on the documentary research and a short presentation of the on-line guides available on this subject, the course presents the main documentary sources on the EU affairs according to a specific typology of the sources including bibliographical tools, websites, legal texts, case law, literature, surveys, etc.
Bibliography	Aucune
Other infos	Support: methodological guide on line.
Faculty or entity in charge	IEEB
