Q1

Teacher(s)	Bernard Nicolas (compensates Durant Isabelle) ;Cassiers Vincent (compensates Durant Isabelle) ;Durant Isabelle ;
Language :	French
Place of the course	Louvain-la-Neuve
Main themes	The course is mainly dedicated to the study of the different real laws such as they are envisaged by book II of the Civil Code. The following subjects are studied : possession ; ownership law and distinction between real estate and personal property ; landed property ; co-property ; real divided property usufruct and laws ; neighbourhood problems ; essential principles pertaining to debt pursuit laws. In addition, the course includes an introduction to the principal laws on intellectual rights. Lectures which may, if necessary, be completed depending on course needs by other pedagogical methods. The syllabus must be provided at the beginning of the course semester, as from the second year of the nomination of the lecturer. 10 hours of compulsory practical exercises to help the student develop a practical approach to the subject. The sessions are prepared by the student whose course input is evaluated by the assistant. The course lecturer will, in agreement with the president of the department, be attentive to the coherence and adequation between the practical exercises and the lectures, including their contribution to the evaluation. * The practical exercises are not accessible to students doing the minor in Law.
