UCLouvain Isign1101 2023 Complete beginners 5.00 credits 60.0 h

Teacher(s)	Moubayed Fatima (coordinator) ;					
Language :	French Belgian Sign Language					
Place of the course	Louvain-la-Neuve					
Prerequisites	Understand written explanations in French					
Main themes	Communication topics are given only as examples. They will be approached only superficially, in relation with the targeted language level. Communication topics : personal data, family, work, time, the weather, food, personal relationships and contacts with other people, means of transport, itineraries, leisure, Deaf culture. Grammar : different categories of transfers (according to C. Cuxac's theory (2000)), affirmation, negation, open questions, closed questions, sign order in a simple sentence, introduction to timelines and classic multidirectional verbs, fingerspelling.					
Learning outcomes	At the end of this learning unit, the student is able to :					
	 Understanding 1 To understand familiar and daily expressions as well as very basic sentences regarding oneself, one's family, one's immediate needs, one's immediate and concrete environment. 					
	Interacting 2 To introduce oneself or introduce someone else, ask and answer simple questions about familiar topics (about one's house, one's relationships or possessions) or about immediate needs.					
	 Producing 3 To use expressions and basic sentences to introduce oneself or other people, talk about home, talk about what one's doing. 					
Evaluation methods	Continuous assessment (during the year) = 40%					
	 Attendance and involvement in the course as well as participation to extracurricular activities : 10% Signed exercises during the quadrimester : 10% Test at the end of the first quadrimester : 20% 					
	Final exam = 60 %					
	• Written exam : 30%					
	Translation of short sentences from LSFB into French					
	Understand a short story told in LSFB					
	Oral exam : 30% > Translation of very simple French sentences into LSFB					
	 > Tell a story in LSFB on the basis of a visual support 					
	> Talk about oneself and/or a familiar subject (interaction with the teacher)					
Content	At the beginning of the course, students listen and sign in LSFB and are encouraged to communicate exclusively in LSFB to interact with the teacher and their peers.					
	The teacher gives his explanations both in LSFB and written French.					
	In addition to the course, students continue to learn LSFB and Deaf culture through activities organized in Louvain- la-Neuve and French-speaking Belgium. Conversation tables with native signers as well as conferences will be organized by KAP-Signes during the academic year. Students are strongly encouraged to participate.
